

World baggage

Travelling back home or for a gap year abroad may mean way too much baggage for what the airline company will allow. Well don't pay a fortune, use a company like World Baggage who specialize in shipping personal effects, excess baggage and unaccompanied baggage for many airlines and travel agents. You can send excess baggage using any suitcase, backpack, rucksack or packing box you like. Just remember your excess baggage has to travel to the other side of the world and proper packaging will help ensure your goods are delivered in perfect condition.

XS baggage

Professional Freight Services is an IATA approved agent with over 24 years' experience in the handling of International Student's Excess Baggage Services. They are highly recommended by the major shipping and airlines. They call at your residence, where the baggage is weighed, complete paperwork and effect payment all from the comfort of the client's residence, the cargo will arrive approximately seven working days. Why get caught at the airport and pay ridiculous high charges, plan ahead and save up to 80%. Their fully trained team, will work with you on offering either airfreight or seafreight, depending on your situation, and will consider beating any written quote that is cheaper.
