UNLEASH YOUR CREATIVITY

## THE SOUTHERN HEMISPHERE'S LARGEST PREMIERE PHOTOGRAPHY EVENT

The 2013 Digital Show is one of the largest technology and photographic events in the Southern Hemisphere. Whether you're newly passionate about photography, a seasoned creative professional or simply looking to unleash your creativity, there will be something for everyone — entertaining demonstrations, local and international experts, exclusive product launches and dozens of exciting talks and lectures.

The prestigious Canon AIPP National Print Awards are also on show and open to the public.
